BIKES ON THE BUS

Most Skyline buses have the ability to carry a minimum of 3 bikes on their outside bike rack. Bikes are not allowed inside the bus. Racks are on a first-come, first-served basis. Riders with bikes should not expect that they will be able to get their bike on the bus at all times during the day. Groups of riders should especially be aware of this situation. The racks are easy to use and are designed for riders to load bikes independently.
