BIKES ON THE BUS

Skyline is pleased to offer bike trailers that hold up to 17 bikes. We will provide service with these trailers between the Town Center and Mountain Village Center on 7 round trips daily. Check the Canyon-Mountain schedules for times. Most Skyline buses have the ability to carry a minimum of 3 bikes on their outside bike rack. Bikes are not allowed inside the bus. Racks are on a first-come, first-served basis. Riders with bikes should not expect that they will be able to get their bike on the bus at all times during the day. Groups of riders should especially be aware of this situation. The racks are easy to use and are designed for riders to load bikes independently. Assistance is available.
